FLY FISHING ADVENTURE

ABOUT

# RANCHO SALVAJE SAFARIS

## WHY CHOOSE US:

### Elite destinations in Argentina

We operate in the two best fishing areas in the country for golden dorado, with waters renowned for their abundance and sporting quality.

### Luxury accommodation

Enjoy an unmatched stay at a resort hotel with spa in the Paraná region, offering pools, river views, a gourmet restaurant, TV, Wi-Fi, and top-level amenities.

### Exclusive zones

We are one of the few companies authorized to fish in the Salto Grande Dam, home to the largest dorados in South America.

### The perfect combination

You can add big or small game hunting to your fishing adventure, creating a unique and personalized program.

### Fishing guaranteed all year

Our destinations offer constant action year-round, with excellent weather and incomparable natural surroundings.

### Professional equipment and guides

We provide modern boats, state-of-the-art gear, and expert guides who will take you to the best fishing spots, where dorados exceed 30 pounds.

### All-inclusive service

We take care of every detail —transfers, lodging, meals, drinks, and permits— so you can focus only on enjoying the experience.

# PARANÁ DORADO FISHING

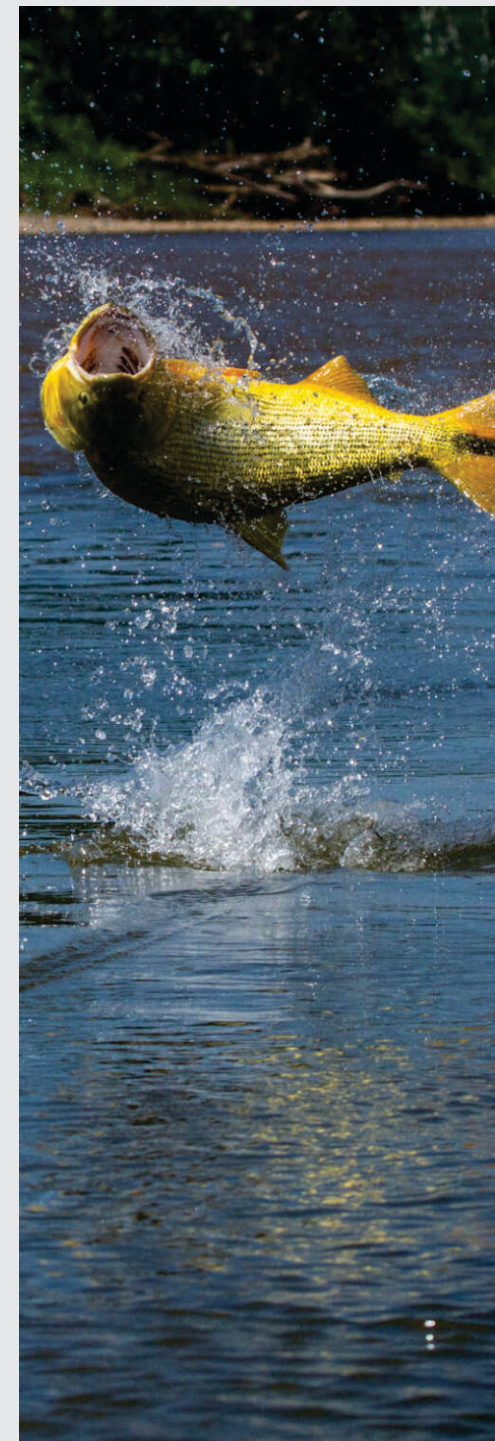

THE PARANÁ RIVER, JUST 40 MINUTES FROM BUENOS AIRES

///

DAYS ARE ENJOYED AMONG RAPIDS, SANDBANKS, AND GOLDEN SUNSETS.

Fishing can be done with both fly and lures, using large, colorful flies or imitations that provoke the dorado's aggression.

Encounters with dorados can last between 15 and 30 minutes, featuring powerful runs, leaps, and resistance that will test your skill and determination.

///

## Fishing Itinerary 1 DAY PROGRAM

We pick you up directly from your hotel in the morning and drive about 40 minutes to the dock, where your adventure begins.

After another 40 minutes of navigation, we reach the fishing area —a unique natural environment surrounded by islands, vegetation, and native wildlife.

You'll enjoy a full day of sport fishing accompanied by a traditional Argentine lunch: an asado on the riverbank, with full beverage service throughout the day.

In the afternoon, we return by boat to the port and then to your hotel in Buenos Aires, concluding an unforgettable experience in the rivers of northern Argentina.

SEASON:  
SEPTEMBER TO MAY

# SALTO GRANDE DORADO FISHING

ONE OF THE MOST SOUGHT-AFTER SPOTS FOR GOLDEN DORADO ENTHUSIASTS

The Salto Grande Dam, known for its limited access and the power of its fish — true giants that demand both technique and patience.

///

FISHING SEASON:  
ALL YEAR

///

## Fishing Itinerary 2 DAYS / 1 NIGHT PROGRAM

We begin our journey in the morning toward the Paraná River, where a full day of sport fishing awaits you in an incomparable natural setting.

During the day, enjoy intense and varied fishing, with full beverage service and a traditional Argentine lunch on the island.

In the afternoon, transfer and accommodation at a first-class resort hotel, ideal for relaxing and enjoying the surroundings after a day of action.

The next morning, we resume the adventure with another fishing outing during the best hours of the day.

After lunch, we return in the afternoon, closing an unforgettable fishing experience.

# RAINBOW TROUT IN LAKE STROBEL

EXPERIENCE THE ULTIMATE  
FLY-FISHING ADVENTURE

///

After an action-packed day on the water, relax in our premium cabins, where comfort and tranquility blend seamlessly with the surrounding nature.

Each is fully equipped with modern amenities to ensure a comfortable, relaxing, and memorable stay.

Our programs are designed so that you only have to focus on enjoying the experience. They include state-of-the-art fishing equipment, flies, gourmet meals, beverages, 24-hour service, professional guides, and complete transfers to and from the resort.

# WHY CHOOSE LAKE STROBEL?

THERE ARE MANY REASONS

///

## DISCOVER THEM

At Rancho Salvaje Safari,  
we strive to guarantee  
unique experiences.

### Trophy Rainbow Trout

World-renowned for hosting some of the largest rainbow trout on the planet, Lake Strobel offers a truly unique fishing experience, where specimens can exceed 20 pounds. It's not just about fishing... it's about coming face-to-face with the true giants of Patagonia.

### Untouched Nature

Surrounded by a rugged and majestic landscape, Lake Strobel invites you to connect with nature in its purest form. Its crystal-clear waters, endless skies, and absolute silence create the perfect setting for an experience as challenging as it is unforgettable.

### Total Exclusivity

Thanks to its remote location and limited access, this destination guarantees a truly exclusive fishing adventure. Here, peace, privacy, and complete isolation turn every day on the water into something truly unique.

### Expert Local Guides

You'll be accompanied by professional guides with years of experience in the area — experts who know every current, shoreline, and fish behavior. Their guidance ensures you get the most out of every outing, enjoying a safe, efficient, and thrilling fishing experience.

# FISHING EQUIPMENT

## STATE-OF-THE-ART

///

Our guests can choose between bringing their own equipment or using the professional equipment we provide, all state-of-the-art and in perfect condition.

### Fly fishing

For fly fishing enthusiasts, we offer medium and fast action rods, both floating and sinking lines, and flies specially crafted by our guides, tailored to each day's conditions.

Leaders and tippets are adjusted based on the target species, water current, and depth — ensuring precision and power in every cast.

### Spinning and bait

In the waters of the Paraná and Salto Grande, versatility is key.

We provide high-performance spinning and baitcasting rods with smooth-drag reels and advanced braided lines.

Our lure selection includes crankbaits, spinnerbaits, jigs, and spoons — carefully selected by our guides to maximize your chances of landing Dorado, Surubí, and other game fish.

///

### ESSENTIAL CLOTHING

- Breathable waders
- Fleece thermal pants
- 1 pair of rubber or felt-soled wading boots
- 1 pair of gloves
- Lightweight synthetic sweater or jacket
- 4 pairs of socks
- 1 cap or visor
- Thermal underwear
